Bad Moon on the Rise (Duty With Honor) (Volume 6) Jordan Bollinger

After a long and difficult first half of the year, Beth Oliver is almost looking forward to a few months of peace and quiet -- even if does mean missing Andrew, while he's away on an extended assignment. Until her ex-husband, Tom Bennett, calls -- practically hysterical, demanding to see her immediately.

When they meet in New York, Tom shows her what he's discovered. And, it's much more sinister than the smuggling ring he originally takes it for. Beth sees the dangerous potential immediately, and since many high-ranking officials might possibly be involved, she decides she's going to have to deal with it.

When her father and brother discover what she's planning, they insist on helping. Now, it's the Emery clan against a dangerous and deep-rooted organization -- that threatens the very nation itself.
