## **Be Good and Do Good: Thinking Through Moral Theology** Bernard V. Brady

How do we understand moral theology within the context of Christian life and thought? *In Be Good And Do Good*, Bernard V. Brady addresses the main themes in fundamental moral theology from a novel perspective; rather than relying solely on traditional sources such as natural law theory, abstract philosophical principles, or popular theories of the individual, he focuses on biblical material, an emphasis on experience, and the social/relational spheres of human life.
