Ordinary Job, Ordinary Life

“Quit your job? But I thought having a job was a good thing!”

Jobs feel safe. We show up, do what we’re supposed to do, and a check for the same amount comes in every couple of weeks. We can feel safe, secure, and comfortable with that. We can budget for housing, transportation, and food. We might even get a few weeks of vacation each year and have enough left over to go somewhere nice. So what’s the problem?

Average Isn’t Satisfying, and Repetition is Drudgery

The problem is that average just isn’t satisfying. We can be thankful that we’re not homeless or completely impoverished all we want, but that still doesn’t scratch the itch we all have to live an extraordinary life—to spend more time doing what we love, less time doing what we don’t love, and have more financial wealth to support our adventures.

On top of that, most jobs involve doing the same things over and over again. You don’t learn. One day blends into the next. You don’t grow. Your life lacks richness, diversity, and excitement. All put together this doesn’t make for a very inspiring way to live the one life you get.

Quit, and Do Your Own Sh*t

In *Quit Your Job in 6 Months Book 3: Your First 10,000 Email Subscribers (How to Get Them, and How to Treat Them)*, author and internet entrepreneur Buck Flogging reveals his internet business secrets to help you build a business from zero to \$100 per day or more in 6 months or less—all in your spare time using time-efficient tactics that work, with minimal startup costs.

Book 3 is all about getting your first 10,000 email subscribers fast, treating them right, and getting the most out of them. Armed with a well-designed business that gets \$5 revenue per subscriber or more as discussed in Book 2, even getting a modest 20 email subscribers per day (very easy to do), can result in enough income to start pursuing your internet business full-time—and waving a fond farewell to employment.

If you want a shot at achieving real wealth and living the dream life of freedom to work anywhere in the world with an internet connection, the four book *Quit Your Job in 6 Months* series will teach you everything

you need to know.

All books are available in paperback, audiobook, and as an eBook for instant download on major book retailers everywhere.
