Conceived and written as a history of the modern world rather than a truncated Western Civilization book, this text is one of the most highly praised history texts ever published. It has been adopted at more than 1000 schools and has been translated into six languages. Lloyd Kramer joins the author team for this ninth edition that includes two new color inserts highlighting fine art, additional pedagogy to guide students through challenging material, and full, up-to-date inclusion of current events. Now packaged with PowerWeb, a dynamic course-specific rather than book-specific supplement that engages your students in three levels of resource materials and provides a true avenue to extending learning about a subject, A History of the Modern World is a necessity in any world history course.
