Every Rose has its thorns...

Rose Chance is a dedicated Portland physician who loves shoes, clothes and the finer things in life. Her colleagues call her Dr Vogue, and she won't even look at a man unless he's rich. And preferably titled.

Her colleague Matt Vasilopolous is a Greek immigrant made good. He dresses like a schlep, always needs a shave and doesn't seem to own a comb.

Rose can't stand a man who looks like a tramp. Matt loathes a woman who looks down at him. But when they're thrown together to save a life one day, and find themselves in the same wedding party the next, Rose and Matt can no longer deny the attraction between them.

With an English baronet and his stately home in the offing, though, will Rose choose the man she's dreamed of her whole life or the one her heart craves?

This is the fourth novel in the Take a Chance series of romantic comedies. All the books can be read independently, but are also connected.
