Why Is a Fast Metabolism Diet So Effective For Weight Loss?

Do you want to lose 20 pounds in 4 weeks? Do you even believe that losing 5 pounds a week is possible? With the right healthy lifestyle and strategic eating plan anything is possible.

The way to make it happen is to consume the optimum amount of fat burning foods in a way that stimulates your metabolism. Why would you want to fire up your metabolism? It is the secret weapon in your weight loss. You cannot utilize the calories you eat without a fine tuned metabolism. Calories that don't get used, get stored as FAT!

You Need To Eat To Lose Weight

You've probably read numerous diet books that are nothing more than starvation diets in disguise. These diets are killing your metabolism and sabotaging any chance you have of losing weight now or potentially even in the future.

The Fast Metabolism Diet is one of those rare weight loss plans that actually encourages you to eat and to enjoy it. It is not a free for all or gorge yourself on ice cream diet. It contains restrictions like any expert healthy and long term weight loss should. They are not meant to deprive but to enhance your weight loss efforts.

Hint: If a diet tells you that you can eat processed garbage and junk all the time while being healthy and losing weight it is lying to you. The Fast Metabolism Diet is very open about the foods you need to avoid for optimum results.

The diet isn't just about the foods you eat. There is a very scientifically focused way to eat those foods that really make the diet what it is.

Metabolism Boosting Phases

"**Fast Metabolism Diet Demystified**" details how each of the phases of the diet force your metabolism into high gear again and is the fire in your fat burning furnace.

The best part? You can easily do it just by following the simple list of foods provided. Combine the right foods with the proper phases and after four weeks you will know exactly why **The Fast Metabolism Diet** is so famous.

The phases are also designed to be so short you never get bored of them and if one phase is not your favorite

it will be over before you know it.

This means you can enjoy your lean meats, your avocados, carbohydrates and foods other diets have you eliminate completely. You also get your own Fast Metabolism Diet cookbook with 25 metabolism boosting recipes at the end of the book as a bonus for all your hard work.

You'll learn:

- **Why your mindset is the first thing to change**
- All the phases of the diet and what they do
- **The foods to avoid for the best results**
- What to eat and exactly when to eat it
- **Why boosting your metabolism is so important**
- What you have done to hurt your metabolism so far and how to prevent it
- **How to maintain your weight loss success**

Weight loss can be systematized. There is no need for yo-yo dieting or buying book after book when “**Fast Metabolism Diet Demystified**” can give you everything you need to finally be free from answering everyone’s question of “How is your weight loss going?” Your body is going to answer that for you from now on!
