Visible: A Femmethology, Volume 1 Jennifer Clare Burke

Visible: A Femmethology, the only two-volume anthology devoted to femme identity, calls the LGBTQI community on its prejudices and celebrates the diversity of individual femmes. Award-winning authors, spoken-word artists, and new voices come together to challenge conventional ideas of how disability, class, nationality, race, aesthetics, sexual orientation, gender identity and body type intersect with each contributor's concrete notion of femmedom.
