Gary Campbell:

As a student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's
