The SAGE Handbook of Management Learning, Education and Development

The SAGE Handbook of Management Learning, Education and Development

The scholarship of management teaching and learning has established itself as a field in its own right, and this benchmark **Handbook** is the first to provide an account of the discipline. Original chapters from leading international academics identify the key issues and map out where the discipline is going. Each chapter provides a comprehensive and critical overview of the given topic area, highlights current debate, and reviews the emerging research agenda.
