Women Beware Women: A critical guide (Arden Renaissance Drama)

Women Beware Women: A critical guide (Arden Renaissance Drama)

Thomas Middleton's intense study of betrayal, corruption, lust and violence, *Women Beware Women*, is one of the revenge tragedies most commonly studied and performed today. This guide offers scholars and students an introduction to its critical and performance history, including notable stage productions, TV, audio and film versions and dramatic and text adaptations. It includes a keynote chapter outlining major areas of current research on the play and four new critical essays. Finally, a guide to critical, web-based and production-related resources and an annotated bibliography provide a basis for further individual research.
