**Ellis Island: Echoes From A Nation's Past** Charles Hagen, Norman Kotker, Robert Twombly

"A celebration of photography as well as a document of the place, *Ellis Island* contains images by such well-known photographers as Jerry Uelsmann and Emmet Gowin. Filled with dozens of family portraits and both historic and contemporary documentary photos, the book resists the temptation for superficial flag-waving, instead providing a thoughtful and loving portrait of this sacred landmark in the American soul." -- *Los Angeles Times*

Originally published to commemorate the reopening of Ellis Island to the public in 1990 after massive restoration, *Ellis Island* eloquently portrays the rich, multi-ethnic history of one of America's most significant immigration points.
