If you have read the other books in the "Tapping Miracles Series" you know that I try to provide new ways of applying Meridian Tapping. Meridian Tapping has been PROVEN to work, there is no doubt about that. We know that there are several ways Meridian Tapping can be used. We know that there are several ways to approach the life of spirit. Both Spirit and Meridian Tapping are based on universal principles that I think most, if not all of us agree is real and true. Since both Spirit and Meridian Tapping are so diverse, yet universal at the same time, I think it is more than appropriate to combine the Power of Spiritual Paths and Meridian Tapping. Meridian Tapping is like a universal key. It can unlock the potential in every single modality we introduce it to. In this book, we will apply Meridian Tapping and The 72 Holy Names of God that has been gleaned through the Sanctified Paths of Jewish Mysticism known as the Kabbalah. Although This book is not specifically about the Kabbalah, it does have veins of the mystical tradition throughout it. This book is a bit longer than the others in this series because we will be going through every single Name of God and doing a tapping session with each one . Once you incorporate the Names into your tapping practice a new world of possibilities can open up for you. The names themselves are hidden within the Bible. Within the text lies the keys to spiritual and material growth. Within the names of God resides the secrets of the cosmos. Within the bible hides the 72 names of God.
