**Welcome to Hope Springs, Texas, where redemption grows...and where love blooms.**

Dark-haired beauty Indiana Keller buys a property in Hope Springs, Texas, for three reasons: to expand her vegetable business, to harvest and sell delicious honey from the property's established bee colony, and to reunite with her estranged siblings. But her older brother Tennessee keeps his distance, even after Indiana hires his construction crew to fix up her cottage. It's almost as if he shares her guilt over the disappearance of Dakota, their missing brother...

While Indiana tries to reconnect with Ten and find Dakota, two local men begin vying for her heart. Handsome, laid-back Will Bowman has a checkered past, but now he's determined to get what he wants out of life...and he wants Indiana. Meanwhile, refined Oliver Gatlin can't fight his own attraction to Indiana, especially since his brother also fell victim to tragic circumstances. Amid the raw natural beauty of Hope Springs, can Indiana's heart finally heal enough to love?
