*One act of kindness cements a destiny she couldn't fathom.*

*An Enchanted story.*

As a child, the Lost Woods were Hannah's passion. A place where she dreamed of mysterious creatures, including one she saved—a man who magically changed into a wolf. Now, twelve years later, the woods are her refuge from a horde of marauders who killed her mother.

This time, it is the wolf who saves her. And he is no dream.

Stephan can't help but remember the time Hannah encouraged him to free his injured leg and continue the soul journey required of his kind. The child unwittingly bound herself to him, and now the woman tempts him like no other. Yet if she learns his secret, her fragile trust could be broken for all time.

Hannah doesn't see how she can possibly fit into Stephan's world—especially when their overwhelming passion reveals the one reason she should not trust him. Stephan has fought more than his share of battles, but the one for Hannah's heart is the one that could break his own...

Warning: Kickass, shape-shifting alphas will leave you breathlessly begging for Lost Woods. Be careful ...they may know what you think!!!
