## Every Day David Levithan

In his *New York Times* bestselling novel, David Levithan, co-author of bestsellers *Will Grayson*, *Will Grayson* and *Nick and Norah's Infinite Playlist*, introduces readers to what *Entertainment Weekly* calls a "wise, wildly unique" love story about A, a teen who wakes up every morning in a different body, living a different life. This new paperback edition features six additional chapters about A's earlier life.

**Every day a different body. Every day a different life. Every day in love with the same girl.**

There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere.

It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with—day in, day out, day after day.

With his new novel, David Levithan has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every day.
