GAY Romance: SHUT UP! And... Kiss Me (MM, Stepbrother Romance, Gay Romance, First Time Gay, Short Story) Celia Styles

Their connection ran deep, and their love was more beautiful than the Northern Lights that illuminated the star-filled sky above them.

In the wake of his mother's death, Matthew and his father cleared out her room in preparation for their new guests: Matthew's new step-mother and step-brother. The only remnants that he had left of his mother's was her collection of books. He wasn't thrilled about the idea of having new family members, but was caught off guard at the sight of his new step-brother. **Charles was a gorgeous man** with hazel eyes, beautiful physic and a deep voice that would make any man swoon. Soon after meeting him, Matthew found himself being emotionally tormented by this new gentleman.

Matthew was gay. He knew it, though many others did not. He taught literature. Having a specialization in LGBT literature, Matthew based his teachings on text that revolved around queer relationships. His goal was simple: to allow others to see gay people as... ordinary people. **Little did he know that Charles would be one of his students.**

He was now faced with an impossibly irresistible man who he would see at home, and at work. How would he survive...
