Tina and Shay try to make the best of decisions, but lies and deceit are difficult to live with. They never knew that being in love could come with such consequences.

How long does Shay have to wait for Ethan to become the man she wants? The wait seems to be coming to an end since she has found interest in another man. Yet, when life seems to take her on a whirlwind of chaos, she is thrust into making a life or death decision. What choices will she make in life and love?

Tina is an unhappily married woman. Aaron is not affectionate and her loneliness is evident. Tension arises as confusion sets in. Is she lonely enough to pursue a deeper relationship with another man?

Will the decisions made be worth it? Or, will the two women lose all sanity in trying to come to terms with the cards that life has dealt them?
