Secret of the Sirens (Companions Quartet) Julia Golding

"Col felt a stab of fear in his stomach. The Sirens were now close enough for him to see their crimson mouths open in a scream, pale faces blazing with white-hot anger, their bird claws tearing at the air."

When eleven-year-old Connie is sent to live with her eccentric aunt by the sea, she's not expecting anything great—not to make friends with Col, the coolest guy in town, and certainly not to discover that mythical creatures still exist, that an ancient society has protected them for centuries, and that a dark and treacherous force is lurking in their midst. Most of all, she doesn't expect to learn that she has the rarest of talents, greater even than her secret ability to communicate with animals. With Col's help, she could achieve unimaginable power—and face the terrifying choices that come with it.

In the tradition of Eragon, A Wrinkle in Time, and The Golden Compass, the first book in the Companions Quartet is a boldly original adventure that will ignite the imaginations and emotions of fantasy readers everywhere.

From reader reviews:

Bob Bartlett:

What do you about book? It is not important together with you? Or just adding material when you really need something to explain what you problem? How about your extra time? Or are you busy particular person? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everybody has many questions above. The doctor has to answer that question simply because just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this kind of Secret of the Sirens (Companions Quartet) to read.

Charles Lee:

This Secret of the Sirens (Companions Quartet) is great guide for you because the content which is full of information for you who else always deal with world and still have to make decision every minute. This particular book reveal it details accurately using great organize word or we can point out no rambling sentences included. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tricky core information with lovely delivering sentences. Having Secret of the Sirens (Companions Quartet) in your hand like having the world in your arm, facts in it is not ridiculous a single. We can say that no book that offer you world with ten or fifteen small right but this book already do that. So , it is good reading book. Hey there Mr. and Mrs. hectic do you still doubt this?

Brian Pena:

Reading a book to get new life style in this season; every people loves to study a book. When you study a book you can get a large amount of benefit. When you read books, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what forms of book that you have read. In order to get information about your examine, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, in addition to soon. The Secret of the Sirens (Companions Quartet) offer you a new experience in reading through a book.

Rachel Chaney:

That reserve can make you to feel relax. That book Secret of the Sirens (Companions Quartet) was colourful and of course has pictures on the website. As we know that book Secret of the Sirens (Companions Quartet) has many kinds or style. Start from kids until teens. For example Naruto or Detective Conan you can read and think that you are the character on there. Therefore , not at all of book are generally make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for you and try to like reading this.
