**Spanked by the Billionaire: An Erotic Dominance Story (Books Similar to Fifty Shades)** Lane Masters  
When Kathy first accepted a job aboard the luxurious yacht of Greek billionaire Alexander Carras, the hiring manager spelled out one vital rule: no fraternizing with the wealthy guests aboard the ship. But something about the mesmerizing eyes and powerful aura of one man who visits her bar late that first evening compels Kathy to override all caution. To her shock, the exotic man is none other than Mr. Carras, himself, and his muscular physique and the powerful air about him are far from what she had previously imagined. Alex finds himself drawn to the new bartender, and he is not a man to be denied any pleasure he seeks. On this night, his pleasure is to bend his new employee over and teach her a lesson, and then take her to erotic heights she has never imagined. Will she discover the tenderness he works so hard to mask behind the power and authority?

Warning: This erotic story contains a hot spanking and explicit sex!
