Adventures in Golf and Other Four-Letter Words (The Jimbo Chronicles Book 1) Tucker Fields
Statesman. Humanitarian. Model citizen. Not on your life. His mother was a Baptist and his father was a Scotch man. Somewhere in the middle of that volatile mix resides Jimbo.

Adventures in Golf and Other Four-Letter Words, Volume I in The Jimbo Chronicles, is an attempt to exploit the legend that is Jimbo; to introduce the world to the worst possible golf companion a boring, overly-cautious, married with children, middle-aged, sports fan could have. Lacking in all those virtues that most find worthy in a fine Southern gentleman, if not for a heart bigger than life and a child-like faith in the belief that life should be lived in the moment, he would be nothing more than just another name in the weekly police report of the local newspaper.

In Adventures in Golf and Other Four-Letter Words, Tucker Fields introduces the world to Jimbo, among other things golf-related, and provides a glimpse at what happens when a man grows up but fails to outgrow those friends who never made the effort to grow up themselves. Funny, tactfully irreverent, and containing just enough Jimbo to whet the appetite for further adventures, this collection of stories should bring a smile or, if successful in its delivery, a good chuckle as the reader becomes immersed in the legend that is Jimbo.

(*NOTE - This is a short-story collection; designed to introduce the main character via six short stories. It is intentionally brief in its presentation and, therefore, priced accordingly.)
