## Dear Jon (Choisie) (Volume 3) Lori L. Otto

A summer with his family in Utah is all Jon Scott needs to pull himself together. It's time to focus on his mom's sobriety and the continuing education of his two younger brothers, Will and Max. For once, things seem to be on track with that part of his life. For the first time, he sees real hope for his family. This family time is a much-needed distraction from the relationship he walked away from in Manhattan. Livvy Holland, the girl he's loved since they were children, has let him down for the last time. He doesn't want to waste his time dwelling on the fight they had, or the shocking incident that happened the next day, after her graduation. It's something he'll never forget, or forgive. Things never go as Jon plans, though. Despite her actions and a distance of two thousand miles, Livvy has every intention of keeping Jon's attention throughout the summer with a series of 30 letters: three a week for every week he's gone. He doesn't have to read them; there are times when he simply doesn't want to. He has plenty of things keeping him busy: a job that requires long hours, family friends that come over for parties, brothers that ask too many questions, and a girl that's very unlike anyone Jon's dated before. But there's something about Livvy Holland that keeps drawing him back to her. Reading the letters will either break the ties, or eventually reunite them. His brain wants one thing; his heart wants another. By the end of the summer, Jon will return to Manhattan. He's come to terms with his past. He has a bright future. Back at Columbia, though, he must accept choices Livvy has made without him that will change his present plans.
