Viking Tales

Jennie Hall

Viking Tales Jennie Hall

Jennie Hall is most noted for her fascinating travel memoirs of the late eighteenth century. She produced vibrant narratives and brilliantly vivid descriptions that have made her popular among readers who wish to be transported into another area or time period. Her "Viking Tales" is an excellent example of that. The story follows the life of the Viking Harald from infancy to his crowning as King of Norway. It focuses on the Vikings' eagerness for adventure and new lands as they set forth from Norway and sail westward across the Atlantic, island-hopping on their way to America. The legends of these men were passed down through generations of families, while they sat around the fireside on bitterly cold winter nights playing harps and working with wool. This adventurous book will entertain young and old readers alike as they take a look at the lifestyle and world view of these mysterious people.

From reader reviews:

Ernie Swisher:

Book is actually written, printed, or descriptive for everything. You can learn everything you want by a publication. Book has a different type. To be sure that book is important matter to bring us around the world. Beside that you can your reading skill was fluently. A publication Viking Tales will make you to become smarter. You can feel considerably more confidence if you can know about every thing. But some of you think this open or reading any book make you bored. It isn't make you fun. Why they are often thought like that? Have you searching for best book or suitable book with you?

Lela Koehn:

What do you think of book? It is just for students because they are still students or it for all people in the world, what the best subject for that? Only you can be answered for that issue above. Every person has different personality and hobby for each other. Don't to be obligated someone or something that they don't would like do that. You must know how great in addition to important the book Viking Tales. All type of book can you see on many methods. You can look for the internet options or other social media.

Bernetta Smith:

Information is provisions for people to get better life, information presently can get by anyone in everywhere. The information can be a expertise or any news even a huge concern. What people must be consider whenever those information which is within the former life are challenging be find than now is taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you get the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Viking Tales as your daily resource information.

Christine Brooks:

That reserve can make you to feel relax. This particular book Viking Tales was colorful and of course has pictures around. As we know that book Viking Tales has many kinds or type. Start from kids until young adults. For example Naruto or Private eye Conan you can read and believe that you are the character on there. So , not at all of book are usually make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for you and try to like reading that.
