Counselling in the New Frontier of Helping Melissa Ng Lee Yen Abdullah

This book is a useful resource for individuals who work in the helping professions particularly in the fields of counselling, social work, psychology, and mental health services. It covers a wide range of topics which may pave new directions for development and trainings in the area. The book discusses challenges and training of counsellors from a global perspective, approaches counseling issues from a multicultural standpoint and shares effective intervention and counselling techniques such as music therapy, family sculpting, online counselling and so on, which are crucial to the advancement of the profession. The book aims to encourage collaboration and sharing of information amongst the helping professionals to explore effective ways to ensure a healthy community for a sustainable tomorrow.
