**Critical References Nephrology** Rey Acedillo, Benjamin Thomson

Critical References Nephrology (Edition 1) contains the essential references for each of 62 topics in adult clinical nephrology. With each reference, the authors have explained how that research study contributed to the clinical topic of interest, providing immediate context.

Critical References Nephrology (Edition 1) is an invaluable reference, serving as an easy guide for exam preparation, daily clinical practice and preparation of both research articles and teaching sessions. By summarizing the major findings of the most important research studies, Critical References Nephrology quickly provides the most evidence based information of all major nephrology topics.
