Only Forever Cristin Harber

The fourth and final installment of the Only series. Must be read in order.

There comes a time when Emma must face the secret she's kept from Grayson. But she never thought it would be while she stood on stage at Emerald's. The seconds she has to convey that her life is in danger are lost in the devastation that she sees rip through him.

She pinches her eyes closed. "Don't leave me. No matter how mad you are, please, please don't leave me here alone."

But there's more on the line than just Emma's safety. There's the danger that brought Titan's Delta team into the strip club in the first place. A threat that's too close to home, too close to the family Grayson plans to claim.

I push away the sudden spring of fear. Life's too unknown, with hidden enemies and unseen terrors. The idea that I could lose her again... it's unbearable.

A love story like Grayson and Emma's needs a forever love, and somehow they'll find their way to her fairy tale.
