Stella Bain

Anita Shreve

Stella Bain Anita Shreve

"Shreve's 17th novel is a tragic yet hopeful story of love, memory, loss, and rebuilding....The novel is both tender and harsh....Shreve's thoughtful, provocative historical tale has modern resonance."

---Publishers Weekly

Stella Bain has no memory of her past when she wakes up in a hospital bed in Marne, France. It is 1916, and she wears the uniform of a British war nurse but speaks with an American accent. As soon as she is able, Stella sets out for London, where she hopes to find answers. What she discovers-with the help of Dr. August Bridge, who takes an interest in her case-both shocks and startles. As Stella's memories come racing back, she must undertake a journey across the ocean to confront the haunted past of the woman she used to be.

In this gripping historical drama that transports us from Europe to America and back again, Anita Shreve weaves an engrossing tale about love and memory, set against the backdrop of a war that devastated an entire generation.
