The Art of War

Sun Tzu

The Art of War Sun Tzu

Like Machiavelli's *The Prince* and the *Japanese Book of Five Rings*, Sun Tzu's *The Art of War* is as timely for business people today as it was for military strategists in ancient China. Written in China more than 2,000 years ago, Sun Tzu's classic *The Art of War* is the first known study of the planning and conduct of military operations. These terse, aphoristic essays are unsurpassed in comprehensiveness and depth of understanding, examining not only battlefield maneuvers, but also relevant economic, political, and psychological factors. Indeed, the precepts outlined by Sun Tzu regularly applied outside the realm of military theory. It is read avidly by Japanese businessmen and was touted in the movie *Wall Street* as the corporate raider's bible.

Providing a much-needed translation of this classic, Samuel Griffith has made this powerful and unique work even more relevant to the modern world. Including an explanatory introduction and selected commentaries on the work, this edition makes Sun Tzu's timeless classic perfectly accessible to modern readers.
