Jack Kerouac: An Illustrated Biography David Sandison

No devotee of Jack Kerouac should be without this biography, fully illustrated with over 120 magnificent photographs. Kerouac epitomized the "Beat Generation" writers of the 1950s, and his most famous novel, *On the Road*, provided a textbook for the bohemian lifestyle that has attracted disenchanting youth ever since. Dubbed "the James Dean of the typewriter," his own life was as colorful as his books. Featuring a foreword by Carolyn Cassady, Kerouac's lover, wife of Nell Cassady, and one of the key figures in his life, this authoritative biography presents perhaps the most judicious look at this tragic genius ever published.
