Friendship takes center stage in *New York Times* bestselling author Nancy Thayer's captivating, emotionally charged novel featuring all the tenderness and wit, drama and romance that readers have come to expect from this insightful, much-loved writer.

When they meet as girls on a beach in Nantucket, Maggie McIntyre and Emily Porter become fast friends—though Emily's well-heeled mother would prefer that she associate with the upscale daughters of bankers and statesmen rather than the child of a local seamstress. But the two lively, imaginative girls nevertheless spend many golden summers together building castles in the sand, creating magical worlds of their own, and forging grand plans for their future.

Even as Emily falls for Maggie's brother, Ben, and the young women's paths diverge, the duo remain close friends. Then the unthinkable happens: Handsome, charismatic, charming, and incredibly sexy Wall Street trader Cameron Chadwick upends both their lives and disrupts their friendship.

Struggling with the tough choices they must make and the secrets they must keep, the two young women discover that the road to love and fulfillment is full of bumps and twists. And while true love may be rare, Maggie and Emily find that friendship is even rarer—and more valuable still.
