**Odontología en pacientes especiales (Spanish Edition)** Francisco Javier Silvestre Donat Y Andrés Plaza Costa

Este libro sobre odontología en pacientes especiales es fruto de la experiencia en la asistencia, la investigación y la docencia en el manejo clínico odontológico de este tipo de pacientes. El avance de las técnicas diagnósticas y terapéuticas de la medicina han logrado una mayor esperanza de vida en personas con alteraciones sistémicas críticas, en discapacitados físicos y psíquicos y en personas con edades muy avanzadas. Estos colectivos de pacientes con características especiales plantean la necesidad, desde el punto de vista odontológico, de una atención específica con el uso de procedimientos clínicos y técnicas peculiares. Existe cada vez mayor número de pacientes con enfermedades sistémicas crónicas, sometidos a tratamientos médicos complejos y comprometidos, o en pacientes discapacitados psíquicos que requieren de una asistencia odontológica eficaz, segura y de calidad. Es por esta necesidad de formación especializada por lo que realizamos este libro, tanto para el odontólogo general como para el estudiante de grado y de postgrado de odontología.
