Pure Blood (Nocturne City, Book 2) Caitlin Kittredge

In the shadows of Nocturne City, witches lurk and demons prowl, and homicide detective Luna Wilder must keep the peace while living life as a werewolf. Now bodies are turning up all over town, the brutal murders linked by a cryptic message: *We see with empty eyes...*

To make matters worse for Luna, she can't get wolfishly handsome Dmitri Sandovsky out of her mind. The last time he helped her with a case, Dmitri suffered a demon bite that infected him with a mysterious illness...and now his pack elders have forbidden him from associating with Luna. But she'll need his help when high-level witches start turning up slaughtered. Because a war is brewing between rival clans of blood witches and caster witches—a magical gang war with the power to burn Nocturne City to the ground.
