Religion and Revelation after Auschwitz Balázs M. Mezei

Religion and Revelation After Auschwitz is a philosophical approach to the notion of revelation. Following such authors as A. Dulles, R. Swinburne, and K. Ward, Balázs Mezei investigates some of the main problems of revelation and connects them to the general problem of religion today. Religion is considered in the perspective of the age "after Auschwitz", an expression coined by Hans Jonas and further elaborated by J. B. Metz. Mezei develops the insights of these philosophers and investigates various aspects of religion and revelation "after Auschwitz": contemporary theistic philosophy, phenomenology, art, mysticism, and the question of university education today. A fascinating amalgam of subjects and approaches, *Religion and Revelation After Auschwitz* is an important contribution to contemporary discussions on the possibility of Catholic philosophy.
