Do we want to have children who are courageous, curious, self-assured, eager to learn and explore, who are respectful of others and know how to value life? Or do we want anxious, dependant, fearful children who lack initiative, who look for safety and comfort above all else? Children who fight to overcome obstacles and search for alternate routes to resolve issues? Or children who give up at the first sign of difficulty? This book addresses the parent's main responsibilities in raising their children, it teaches parents how to assist them in becoming emotionally stable, independent, loving, creative, and peaceful adults. Description in Spanish: ¿Queremos niños seguros de sí mismos, valientes, exploradores, curiosos, con afán de aprender, respetuosos y que valoren la vida? ¿O queremos niños ansiosos, dependientes, con miedo a equivocarse, sin iniciativa, que busquen entornos seguros y cómodos por encima de todo? ¿Queremos hijos voluntariosos, que luchen ante las dificultades y busquen caminos alternativos al que se cierra? ¿O queremos hijos incapaces de perseverar cuando aparecen las primeras dificultades, que se rinden o resignan enseguida? Este libro aborda la principal responsabilidad de los padres en la educación de sus hijos: acompañarlos en el proceso de convertirse en personas adultas emocionalmente equilibradas, autodependientes, amorosas, creativas y pacíficas.
