Editor Richard W. Stewart

AMERICAN MILITARY HISTORY, VOLUME I: THE UNITED STATES ARMY AND THE FORGING OF A NATION, 1775-1917 Editor Richard W. Stewart

American Military History, first published in 1956 as a one-volume textbook for ROTC courses and updated by countless historians through the years, intends to provide the United States Army with a fully comprehensive but brief account of its past in support of the military history education of young officers, NCOs, and cadets. Just as the history of an active organization inevitably expands, so too has this new edition under the oversight of general editor Richard W. Stewart. Revised to reflect the challenging period of expanding roles and missions and of fundamental organizational change in the Army during the post-Vietnam years through the Global War on Terrorism, the resulting two volumes are highly readable and graphically handsome with many colorful maps and illustrations of period artwork and military artifacts that enhance the narrative. The first volume traces the evolution of the Army from its birth in 1775 to the eve of World War I, covering the concept of military history, the theory and practice of war, and the American military system with European roots. Those with an interest in learning about the Army and its campaigns will enjoy having and reading these visually pleasing and instructive volumes.

From reader reviews:

Leslie Marcellus:

People live in this new moment of lifestyle always attempt to and must have the free time or they will get great deal of stress from both way of life and work. So , when we ask do people have extra time, we will say absolutely indeed. People is human not only a robot. Then we consult again, what kind of activity have you got when the spare time coming to an individual of course your answer will unlimited right. Then do you try this one, reading textbooks. It can be your alternative throughout spending your spare time, the actual book you have read is definitely AMERICAN MILITARY HISTORY, VOLUME I: THE UNITED STATES ARMY AND THE FORGING OF A NATION, 1775-1917.

Sandra Spier:

Are you kind of stressful person, only have 10 as well as 15 minute in your time to upgrading your mind expertise or thinking skill also analytical thinking? Then you are receiving problem with the book compared to can satisfy your limited time to read it because all this time you only find publication that need more time to be read. AMERICAN MILITARY HISTORY, VOLUME I: THE UNITED STATES ARMY AND THE FORGING OF A NATION, 1775-1917 can be your answer because it can be read by you actually who have those short spare time problems.

Travis Davis:

Many people spending their period by playing outside with friends, fun activity together with family or just watching TV all day every day. You can have new activity to invest your whole day by reading through a book. Ugh, ya think reading a book can really hard because you have to use the book everywhere? It alright you can have the e-book, getting everywhere you want in your Smartphone. Like AMERICAN MILITARY HISTORY, VOLUME I: THE UNITED STATES ARMY AND THE FORGING OF A NATION, 1775-1917 which is having the e-book version. So , why not try out this book? Let's observe.

Jennifer Jackson:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this AMERICAN MILITARY HISTORY, VOLUME I: THE UNITED STATES ARMY AND THE FORGING OF A NATION, 1775-1917 can make you sense more interested to read.
