## The Complete Short Stories of Marcel Proust

One of the great literary figures of the modern age, French novelist Marcel Proust (1871-1922) probes the precarious mental and erotic nuances of love, the frail mysteries of time passing and time past in highly original, surprising tales. Includes a new translation of the complete text of *Pleasures and Days*, Proust's only short-story collection, and six tales previously uncollected and never before available in English.
