Christian Kids Explore Earth and Space breaks our universe into manageable bites, offering units about Earth and its structure, the lithosphere, hydrosphere, atmosphere, and weather, as well as a unit investigating the universe and its components. The 24 lessons and six unit reviews present the material in an easy-to-teach manner. Students are encouraged to keep a science notebook as they learn. Hands-on activities include building a model of Earth and its layers, using eggs to understand plate tectonics, and simulating a volcanic eruption. Christian Kids Explore Earth and Space guides your journey as you dive into the wonder of our universe.
