Daughter of Regals & Other Tales Stephen R. Donaldson

The Creator Of Thomas Covenant Adds Eight New Wonders To The World.

In his first collection of short fiction, the bestselling author of *White Gold Wielder* presents eight superb stories, including "Gilden-Fire," the famous "outtake" from *Illearth War*, and two brand new novellas written especially for this edition. Enter a world of mystics and unicorns, angels and kings -- all realized with the same dazzling style and imagination that has made Stephen R. Donaldson a modern master of the fantasy genre.

Daughter of Regals is a fantasy novella concerning a unique royal line and an unusual conception of magic.

The Conqueror Worm is a deliciously creepy "horror" piece in which havoc is wreaked by one lowly centipede.

Ser Visal's Tale begins as a simple story told over several flagons of wine at the local inn, this novella ends with a surprising twist.

Gilden-Fire is the famous chapter about Korik of the Bloodguard and his mission to Seareach that was part of the original manuscript of *The Illearth War*, but omitted from the published version.

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Daughter of Regals & Other Tales can make you experience more interested to read.
