The Creature from Jekyll Island: A Second Look at the Federal Reserve G. Edward Griffin

Where does money come from? Where does it go? Who makes it? The money magicians' secrets are unveiled. We get a close look at their mirrors and smoke machines, their pulleys, cogs, and wheels that create the grand illusion called money. A dry and boring subject? Just wait! You'll be hooked in five minutes. Reads like a detective story - which it really is. But it's all true. This book is about the most blatant scam of all history. It's all here: the cause of wars, boom-bust cycles, inflation, depression, prosperity. Creature from Jekyll Island will change the way you view the world, politics, and money. Your world view will definitely change. You'll never trust a politician again - or a banker. Putting it quite simply: This may be the most important book on world affairs you will ever read.
