## **A Guide to the Perplexed** Gilad Atzmon

The year is 2052, and the state of -Israel has been defunct for 40 years, the majority of its citizens having become refugees overseas. Gunther loves European, especially German, women and soon leaves Israel to find fame, fortune and fornication in Germany, whose collective guilt-trip is a goldmine for the licentious professor. A darkly funny reflection on the dangers of racial purity and the position of the outsider in Western Europe, *A Guide to the Perplexed* marries the playfulness of Nabokov with the sexiness of Philip Roth. It is an angry rant on the effects of ethnic cleansing both our bodies and our minds.

**Gilad Atzmon** was born and grew up in Israel. An outspoken anti-Zionist, he now lives in London.
