The Human Journey: A Concise Introduction to World History Kevin Reilly

The Human Journey offers a truly concise yet satisfyingly full history of the world from ancient times to the present. The book's scope, as the title implies, is the whole story of humanity, in planetary context. Its themes include not only the great questions of the humanities—nature versus nurture, the history and meaning of human variation, the sources of wealth and causes of revolution—but also the major transformations in human history: agriculture, cities, iron, writing, universal religions, global trade, industrialization, popular government, justice, and equality.

In each conceptually rich chapter, leading historian Kevin Reilly concentrates on a single important period and theme, sustaining a focused narrative and analytical perspective. Chapter 2, for example, discusses the significance of bronze-age urbanization and the advent of the Iron Age. Chapter 3 examines the meaning and significance of the age of “classical” civilizations. Chapter 4 explains the spread of universal religions and new technologies in the postclassical age of Eurasian integration. But these examples also reveal a range of approaches to world history. The first chapter is an example of current “Big History,” the second of history as technological transformations, the third of comparative history, the fourth the history of connections that dominates, and thus narrows, so many texts. Free of either a confined, limiting focus or a mandatory laundry list of topics, this book begins with our most important questions and searches all of our past for answers. Well-grounded in the latest scholarship, this is not a fill-in-the-blanks text, but world history in a grand humanistic tradition.

Joann Nixon:

Many people spending their period by playing outside together with friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to invest your whole day by examining a book. Ugh, you think reading a book really can hard because you have to take the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smart phone. Like *The Human Journey: A Concise Introduction to World History* which is finding the e-book version. So , try out this book? Let's observe.

Jamie Harper:

As we know that book is significant thing to add our knowledge for everything. By a book we can know everything you want. A book is a pair of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This guide *The Human Journey: A Concise Introduction to World History* was filled regarding science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading the book. If you know how big selling point of a book, you can experience enjoy to read a publication. In the modern era like currently, many ways to get book that you simply wanted.

Mary Scruggs:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this *The Human Journey: A Concise Introduction to World History* can make you truly feel more interested to read.
