## DISCOVER THE MOST SHOCKING DETAILS YOU DIDN'T KNOW ABOUT THE WORST LEADERS

The most interesting facts about the cruelest dictators of all time: **Joseph Stalin, Adolf Hitler, Muammar Gaddafi, Mao Zedong to Nicolae Ceausescu, Fidel Castro, Kim Jong-il and Saddam Hussein.**

They are scorned and looked down on as examples of how power can corrupt. They have created Personality Cults around themselves, altered our planet's history in immeasurable way and in some, horrible cases, they have caused the deaths of not thousands but tens of millions of people.

They are the most notorious dictators in history, and while they are considered to be the symbols of evil, they are also very interesting individuals. Sometimes, the most detestable among our population are also the most interesting, in a morbid sort of way.

This ebook delves into the biographies of the dictators who make other dictators look bad. From those who practiced communism and fascism, to those who had a hand to play in World War 2 and beyond to the Cold War, these are the worst of the worst.

### Here is the list of the 8 leaders I chose to tell their stories:

- **Joseph Stalin** - *Leader of the Soviet Union* - responsible for the deaths of tens of millions of his own countrymen, but before all that he wanted to become a priest.
- **Adolf Hitler** - *Führer of Germany* - the man who had millions Jewish people killed in concentration camps, was also a vegetarian and created laws against animal cruelty.
- **Fidel Castro** - *President of Cuba* - a man synonymous with cigars, actually stopped smoking them in 1985.
- **Nicolae Ceausescu** - *First President of Romania* - the man who brought Romania to its knees, never actually hunted, only fake hunted. His staff drugged animals so he could shoot them easily and no person was allowed to shoot more animals than him.
- **Saddam Hussein** - *Fifth President of Iraq* - one of the worst enemies of the United States in the past 25 years, also received the key to Detroit in 1980.
- **Mao Zedong** - *Founding Father of the People's Republic of China* - once held a meeting with Russian leader Krushchev in the pool because Krushchev couldn't swim and would have to wear water wings.

- **Kim Jong-il** - *Supreme Leader of North Korea* - kidnapped two directors in order to remake Godzilla and “invented” the hamburger.
- **Muammar Gaddafi** - *Brotherly Leader of Libya* - was a huge fan of the game Q-Bert and owned a coin-op version of the game, which he had a high score of 492,000.
