## **Diego Rivera** Pete Hamill

Diego Rivera is regarded as one of the greatest Mexican artists of the 20th century - an audacious muralist, voracious lover and ardent leftist who befriended Picasso, married Frida Kahlo and quarrelled with Leon Trotsky. In this part-biography, part-appreciation, writer Pete Hamill turns a novelist's eye to Rivera's tempestuous career. In this volume filled with reproductions and documentary photographs, Hamill shows how, despite the political passions, Rivera created a body of work that still astonishes.
