mastering foreign exchange & currency options: a practical guide to the new marketplace (2nd Edition) Francesca Taylor

The floating exchange rate environment has created a need for banks and their corporate customers to arrange their currency exposure on an active and commercial basis. This book addresses current practice and future issues and is written for both new entrants into the markets and for seasoned professionals seeking to refresh or broaden their knowledge. The book covers issues such as:

- A radical new settlement system for FX will be going live in the 3rd quarter - named continuous linked settlement or CLS for short
- Foreign Exchange Portals Atrix and FXAII
- Electronic Broking EBS
- The increased profile of the spreadbetting agencies in the FX markets eg. IG Index
- Emerging Markets
- New Exotic Currency Options
