### An Angela Walker Cozy Mystery Set In Florida

Angie Walker is a few days from fulfilling a life-long dream of being her own boss. Soon, she and her best friend will open a treasure/antique business on the Florida east coast.

But as a reporter for the Tequesta Sun, she has one last assignment – interview former boss Frederick Canterly about his five-decade career as publisher of the Madera Beach Tribune.

The interview should be a piece of cake but her former boss very inconveniently drops dead.

Police believe he's been poisoned and detectives find an incriminating vial in Angie's purse. Now instead of opening the door to her business dream, she may open the door to a prison nightmare.

With the help of long-time friend and reporter Harry Landon, she begins a desperate search for the shrewd killer who framed her.

Canterly made enemies during his time in Madera Beach. Many people hated him, with good reason. Even Landon had an opportunity and a very good motive to kill the Madera Beach Publisher.

While keeping her eye on her good friend Harry, Angie will have to shift through the evidence and find the ruthless murderer.

In doing so, she will also become a target. Unless she is careful, intelligent and ruthless, Canterly will not be the only murder victim in this small tightly-knit community.
