Organization Change: Theory and Practice (Foundations for Organizational Science series) W. Warner Burke

The **Third Edition** of this bestselling text continues to make clear how effective organization change is grounded in sound knowledge about human behaviour in the workplace. Author W. Warner Burke reviews various models and cases to demonstrate how to diagnose change issues in organizations. Greater emphasis is placed on planned, revolutionary change over the gradual, evolutionary change typically experienced by organizations. The book combines and integrates theory and research with application for insight into all aspects of organization change.
