Sociology Now, Census Update

Michael S. Kimmel, Amy Aronson

Sociology Now, Census Update Michael S. Kimmel, Amy Aronson
Exploring the questions of today

Sociology Now reflects the discipline today and explores the big questions about multiculturalism and globalization that sociologists ask.

Sociology has always offered a way to make sense of the complex and sometimes contradictory forces that shape our social lives in any era. As *Sociology Now* explains sociology as both a body of knowledge and a "way of seeing," it shows how the forces of globalization and multiculturalism have come to preoccupy sociologists and influence the way they look at the events and experiences of the early twenty first century. Michael Kimmel, a leading sociologist and gender researcher, and co-author Amy Aronson, a journalist and media scholar, address questions regarding these forces head-on as they make a compelling case for the importance of sociology in the contemporary world.

The Census Update program incorporates 2010 Census data into a course—simply and easily. The components of the Census Update Program include an updated census edition with all charts and graphs—to reflect the results of the 2010 Census. In addition, *A Short Introduction to the U.S. Census* is available and an updated MySocLab.

Teaching & Learning Experience

- *Personalize Learning* – The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.
- *Improve Critical Thinking* – Each chapter opener asks students to consider a paradox that illustrates the complexity of sociology.
- *Engage Students* – Unique pedagogical features help students see the connection between research and everyday life.
- *Explore Theory* – Classical perspectives integrated with discussions of multiculturalism and globalization.
- *Understand Diversity* – Race, class, and gender are discussed both as the foundations of our identity and as sources of inequality.
- *Support Instructors* – The test bank is edited by the authors.

From reader reviews:

Viola Hassell:

Reading can called head hangout, why? Because when you are reading a book mainly book entitled Sociology Now, Census Update your mind will drift away trough every dimension, wandering in every aspect that maybe unknown for but surely might be your mind friends. Imaging each and every word written in a book then become one form conclusion and explanation this maybe you never get just before. The Sociology Now, Census Update giving you an additional experience more than blown away your head but also giving you useful information for your better life within this era. So now let us explain to you the relaxing pattern is your body and mind will be pleased when you are finished reading through it, like winning a game. Do you want to try this extraordinary investing spare time activity?

Jane Nelsen:

Are you kind of stressful person, only have 10 or 15 minute in your time to upgrading your mind ability or thinking skill actually analytical thinking? Then you have problem with the book when compared with can satisfy your short period of time to read it because all of this time you only find publication that need more time to be go through. Sociology Now, Census Update can be your answer as it can be read by a person who have those short time problems.

James Williams:

Is it an individual who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This Sociology Now, Census Update can be the reply, oh how comes? The new book you know. You are thus out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?

Beverly Barber:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Sociology Now, Census Update can make you feel more interested to read.
