The American Heritage College Writer's Dictionary Editors of the American Heritage Dictionaries
Ideal for college students and advanced high school students, the *American Heritage College Writer's Dictionary* is a brand-new paperbound reference book from the editors of the American Heritage Dictionaries. It is aimed at users who need a dictionary that is more advanced than the *Student Dictionary* but more conveniently sized and priced than the 2084-page hardcover *American Heritage Dictionary of the English Language, Fifth Edition*. The *College Writer's Dictionary* will be especially useful for customers who do not have ready access to our electronic products. Each entry is clearly defined, and thousands of example sentences show how entry words are used in context. There are no biographical or geographical entries, thus allowing more room for basic vocabulary. A gazetteer at the back of the book lists countries, states, and capitals. Hundreds of word history notes describe the development of words in clear, straightforward language. A style guide, detailed definitions of grammatical terms, and dozens of usage notes provide guidance on grammar and style points. This reference book is designed to be a workhorse for writers – great for high school students who are studying for standardized tests or who are allowed to use print dictionaries during tests, for college students whose schools lack the resources to provide online content, and for individuals who prefer a conveniently sized print dictionary for their home or office.

From reader reviews:

Roderick Donnell:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each reserve has different aim or perhaps goal; it means that reserve has different type. Some people sense enjoy to spend their time for you to read a book. They are reading whatever they take because their hobby is actually reading a book. Why not the person who don't like reading a book? Sometime, particular person feel need book once they found difficult problem or exercise. Well, probably you'll have this The American Heritage College Writer's Dictionary.

Carol Witt:

Nowadays reading books be than want or need but also become a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The details you get based on what kind of reserve you read, if you want attract knowledge just go with education books but if you want feel happy read one having theme for entertaining for instance comic or novel. The actual The American Heritage College Writer's Dictionary is kind of reserve which is giving the reader unforeseen experience.

Jessica Davis:

A lot of people always spent their free time to vacation or even go to the outside with them family or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity here is look different you can read some sort of book. It is really fun in your case. If you enjoy the book which you read you can spent the entire day to reading a publication. The book The American Heritage College Writer's Dictionary it is extremely good to read. There are a lot of people who recommended this book. These folks were enjoying reading this book. When you did not have enough space to create this book you can buy the particular e-book. You can m0ore easily to read this book from your smart phone. The price is not to fund but this book has high quality.

Tanya Caggiano:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The American Heritage College Writer's Dictionary can make you truly feel more interested to read.
