The Big Book of Colleges 2009 (College Prowler Guide) Mark Benvenuto **College guides written by students for students**

Your ultimate source for honest, unbiased information, College Prowler delivers an inside look at 280 of the top colleges and universities in the US. Complete with thousands of student quotes, grades, stats, and reviews, this college guide offers a comprehensive collection of college information. See how students rate their campus when it's time to look beyond the brochures and talk about the issues that really matter.

Picking a college is hard, but we're here to help. The lists at the beginning of this book groups 280 schools in a variety of categories. Interested in location, size, or selectivity? Check the lists. Curious about which schools have the best dining, dorms, or local atmosphere? We rank those, too. Cross-compare between the different lists to find the schools that match all of your needs. Dive into our school-specific sections and find out why those colleges you have your eye on scored well in one category and poor in another. Just like the original College Prowler guidebooks, each school's section is student-written and provides its own unique dialogue to help you discover if the college is right for you.
