Someone Out There

Catherine Hunt

Someone Out There Catherine Hunt

A story of obsession, revenge and deceit, of a woman caught up in terrifying circumstances. Perfect for fans of *The Girl on the Train*, by Paula Hawkins, and *The Lie* by C. L. Taylor.

Laura Maxwell appears to have it all – perfect career, perfect husband, perfect life. But how well do you really know the people around you? All it takes is one tiny crack to shatter the whole façade.

A series of accidents causes Laura to believe that someone is deliberately targeting her, trying to harm her. Fear starts to pervade every part of her life, affecting her work and her marriage, and she feels increasingly isolated.

If no one believes Laura's story, who will be there to protect her when her attacker closes in for the kill?

From reader reviews:

Mary Tillman:

Information is provisions for those to get better life, information currently can get by anyone with everywhere. The information can be a information or any news even restricted. What people must be consider if those information which is inside former life are difficult to be find than now is taking seriously which one works to believe or which one often the resource are convinced. If you have the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Someone Out There as the daily resource information.

Juan Carrillo:
