The Gift of Faith: Short Reflections by Thoughtful Anglicans

Finding the perfect gift for graduation, confirmation, or similarly significant occasions is now much easier, thanks to "The Gift of Faith."

This small book offers brief reflections on faith that are as meaningful and lasting as those most extraordinary events in life. The passages are taken from the classic writers in the Anglican tradition, making this especially appropriate as a remembrance for confirmation, but the timeless words of George Herbert, Richard Hooker, and others from generations past, as well as those of contemporary authors, including Esther de Waal, David Adam, and Barbara Crafton, make "The Gift of Faith" an inspirational resource for anyone interested in Anglican contemplation on the faithful life.

Brief biographies of the contributors are included.
